

ANNOUNCEMENT WORKSHOP

June 17, 2002

INDUSTRIAL/COMMERICAL INSPECTIONS LOS ANGELES MUNICIPAL STORM WATER PROGRAM

The Los Angeles Regional Water Quality Control Board will conduct a workshop on Industrial/Commercial Inspections for municipal officials and interested persons.

When: Monday, June 17, 2002 --- from 9:00 a.m. to 1:00 p.m.

**Where: Conference Room "C"
Los Angeles County Department of Public Works
900 South Fremont Avenue, Alhambra, CA 91803**

The purpose of the workshop is to provide background regulatory information and share field experience related to implementing a storm water inspection program at industrial and commercial facilities as required by the newly adopted Los Angeles County MS4 Permit. The workshop is intended for municipal storm water program coordinators, planners and inspectors who will be involved in the design and implementation of the program at the local agency level. Other interested persons are also invited.

To register for the workshop, please provide your name, affiliation, address, e-mail address (if available), and a phone number to Ms. Patricia Garcia, Storm Water Section Secretary, before June 10. Ms. Garcia may be contacted by phone at (213) 576-6802 or by e-mail at pgarcia@rb4.swrcb.ca.gov. A tentative Agenda is attached. Seating is limited, so please register early.

Information on the Regional Board's Storm Water Program can be viewed on the web at www.swrcb.ca.gov/rwqcb4/html/programs/stormwater/stormwater.html
